Election Day Doctor and Hospital Bills

Good Government League

Copperhill, Tennessee
August 25, 1948

Dear Sir:

The Good Government League of Polk County carried on its recent successful political campaign through assessment of its nominees and by small contributions by many citizens of the County. The GGL discouraged, and did not receive, any large contributions, as it had no desire to become indebted to anyone for financial support that would later have to be paid off in the way of political favors.

As a result of this policy, the GGL now finds itself in debt to the amount of about \$500. A large portion of this sum is for expenses that were not anticipated, viz: doctor and hospital bills for members who were wounded in defense of the ballot box at Ducktown on the night of the election. Other items include advertising, car hire on election day, printing of sample ballots, etc.

If you, as a citizen of Polk County, believe that the overthrow of the political machine was worth the cost and effort, and if you would like to help the GGL to liquidate its obligations as promptly as possible, then any contribution that you might feel like making for this purpose will be received with gratitude by every active worker of the GGL. Contributions may be handed or mailed to me, or to H. M. Ware, Copperhill, Tennessee.

Very truly yours,

R. E. Barclay, Chairman
Good Government League
of Polk County
